

*we do not know what to do,
but our eyes are upon*

you

2 Chronicles 20:12

Dear Friend,

We are in urgent need of direction and provision from the Lord. Our landlord has decided not to renew our lease! We must move in four months, by the end of October!

We don't know where, we don't know how, but one thing we do know...

...Our God is able and our eyes are upon Him!

Nonetheless, during this season of uncertainty, our commitment remains firm and focused on the work at hand:

- *Immersion of new believers*
- *Summer Camp for the children*
- *Outreach to elderly Russian Jewish people*
- *One-on-one discipleship programs*
- *Active follow up with 18 new people, 16 of whom are Jewish*
- *And much more*

We thank you for standing with us in prayer.

Would you also consider sending in a special financial gift to help us move at this critical time?

May you be blessed. We are very grateful!

In Messiah,

*Rabbi Jeff Forman
Executive Director*
