

Exciting Summer Outreach!

I'm writing to ask you to participate in a new outreach that is shifting into high gear this summer. Our goal is to share the salvation testimonies of scores of Jewish believers with unbelieving Jewish people in the GTA.

For this project we have partnered with another Messianic Jewish organization, Chosen People Ministries. They have created a premier website called www.ifoundshalom.com. This website contains over one hundred outstanding video testimonies of Jewish people who have found their hope in Yeshua the Messiah. Our desire is to drive unsaved Jewish people in the GTA to this website so that they can see and hear for themselves the life changing transformation that has taken place in the lives of these Jewish believers. At this point, there are two phases.

Phase One:

The first phase began early in the spring of 2023 when we created the "I Found Shalom" business card. As you can see from the enclosed card, on the front is an advertisement for the "I Found Shalom" website. On the back is City of David's contact information, providing a way for those who are seeking more to connect with us locally.

We have printed thousands of these cards and have been handing them out to family, friends, neighbours, and strangers we meet. It is a potent conversation starter, and many testimonies attest to the effectiveness of this approach.

Phase Two:

Messianic Mandate is underwriting the cost of placing large advertisements of the "I Found Shalom" website on the sides and backs of six public buses. We have chosen routes that go through Jewish neighbourhoods in the City of Vaughan, a densely populated Jewish area. The six buses will carry our ads over an eight-week period.

By the time you receive this letter, the ads will already be running.

We are believing that the Lord, through these ads, will attract Jewish people to the “I Found Shalom” website and draw them to watch the videos. As they do, we know the Spirit of God can touch their hearts as they watch and listen to the testimonies. City of David’s contact information will also be on the bus advertisements providing a way for them to connect with us locally.

Three Ways You Can Participate:

First, please earnestly pray for the Lord to use the business cards and the bus ads to draw Jewish people to the “I Found Shalom” website.

Second, you can write and request more business size cards for you and your friends to give to Jewish people who you are in contact with. We would be happy to send as many as you feel you could use.

Third, this bus campaign and the business cards will cost many thousands of dollars. Please consider sowing financially into Messianic Mandate to support outreaches like this.

Rabbi Shaul wrote that one sows, another reaps, but it is God who gives the growth.

Thanks for your participation with us and with the Lord!

Warmly in Messiah Yeshua,

Rabbi Jeff Forman
Executive Director
